

Regatta Pub Review

- Courtney Berry

The Salem Waterfront Hotel & Marina is conveniently located in downtown Salem, MA, on Derby Street. The restaurant overlooks Pickering Wharf on Salem Harbor and is near local shops and many historic landmarks. The Regatta Pub is a family friendly restaurant open year round with both indoor and outdoor seating provided by the Salem Waterfront Hotel & Marina. My family friends and I eat at The Pub often, and the staff never fails to serve great food.

My experience dining at the Regatta Pub Restaurant has been consistently pleasant. The staff is both welcoming, knowledgeable and attentive. The wait is never long, and once seated you can expect your server to greet you almost immediately with a basket of warm bread and butter. The Pub has conveniently placed flat screens in the bar for entertainment. The staff is always open to customer requests which goes well beyond food, including special TV channels! This friendly attention adds to the overall ambiance of the restaurant as to whether you chose to sit outside on a nice warm afternoon overlooking the water, or inside on a cold wintery day enjoying lunch while watching a Patriots game on TV. The food offers generous portions at moderate prices, while giving the customer a wide variety to choose from. The Pub menu offers a variety of seafood, pasta, soup, salad, burgers and more. Some popular dishes my friends and I regularly order include; buffalo chicken wraps, toasted ravioli, grilled swordfish, and my personal favorite -The Nachos Grande! Another popular favorite is the "Build your own Waterfront Burger", where you have many different choices of cheese and toppings. Upon request, your server will tell you the specials and desserts if you choose to have some. Although my friends and I typically enjoy lunch and dinner at the Regatta Pub, if you are staying at the hotel, you may also want to grab breakfast. The breakfast menu includes many Waterfront specials: The Waterfront Breakfast which includes two eggs prepared any style with a choice of bacon or sausage. Perhaps you may be in the mood for The Regatta Pub Omelet Special, which is their breakfast chef's daily creation. The menu also offers many seasonal breakfast classics such as, pancakes, eggs and bacon, omelets, breakfast sandwiches and any drink of your choice. The award winning Regatta Pub located in historic Salem is a mustvisit for anyone looking for a casual but memorable dining experience on Boston's North Shore. You can find the Regatta Pub at 225 Derby Street, Salem, reservations are recommended, and to make a reservation you should call 978-740-8778.
